

HOPEBOX

THEATRE

Lighting Designers & Lightboard Operator Info

The Hopebox Theatre is immediately seeking Lighting Designers and Lightboard operators for the 2022 season! Don't miss out on this amazing opportunity to show your creativity and help our mission of Bringing Hope to Families battling Cancer through the Performing Arts.

Example of duties-

- Design lighting for assigned productions**
- Carry out the role of on call Master Electrician for all performances during the shows run.**
- Attend production meetings, needed rehearsals, and Tech week.**

Qualifications-

- Have the knowledge/understanding of the principals of lighting, lighting technology, electricity, design, as they relate to the overall theatre production process.**
- Excellent communication skills – written, oral and visual.**
- Ability to work productively under time pressures and meet deadlines.**

Position is paid with a stipend per each production. We have openings on nearly all 2022 shows.
